Suite Dreams

After the best day of your life, you need somewhere pretty spectacular to relax. Our 12 beautifully-appointed bedrooms are just perfect for a special occasion. There are two stunning Honeymoon Suites to choose from - both are romantic and seriously special spaces to spend your first night as newlyweds.

The King's Suite has a huge wood-panelled fourposter bed and the most luxurious circular spa bath. While the Queen's Suite, is an all-white serene suite with a beautiful roll-top bath and balcony with views across open fields.

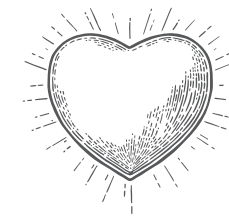

There's also Woodhall Manor's quaint cottage to consider if you're looking for even more space to kick back and relax in, or it could make an ideal option for members of the bridal party like bridesmaids or groomsmen. With one sumptuous double bedroom, a twin room, a secluded courtyard and a lounge space, it can be your own private hideaway in the heart of Woodhall Manor.

Talking of hideaways, there's no chance of being seen before you take to the aisle thanks to our Secret Room. This stylish suite is a magical place for you and your bridal party to get ready in, with copious mirrors and plenty of space to spread out and enjoy the preparations as much as the big day itself.

Make the manor your own by enjoying all the space on offer outside of your suite too. Stroll around our enchanting gardens, or toast to an exciting and happy future at the fabulous Manor Bar with its ornate feature fireplace and period furnishings. Then there's the Tapestry Room, too, where you can enjoy a game of pool and celebrate with your loved ones into the early hours!

Anything is possible

Planning a wedding can be a daunting task, and it can be difficult to know what to do first. So our team of wedding experts have put together some inspiring collections to get you started on your planning journey. There's a package to suit every type of wedding, from small intimate affairs to entire wedding weekends. We've even got a package that's perfect for last-minute celebrations.

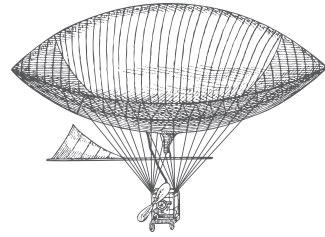

Anything is possible at Woodhall Manor. We're here to help bring your ideas to life, whether that's a dazzling fireworks display at midnight, a bouncy castle for the little ones (and some big ones!) or refined drinks on the terrace with your favourite live band. Share your ideas with us and watch them become a big day reality.

"The team were just perfect, they were so kind and helped us to plan a day that we will never forget!"
