Introducing the Woodhall Manor Wedding Collections

We know planning a wedding can feel like a lot - which is why we've made it as simple (and exciting) as possible. Our carefully curated Collections are designed to give you flexibility, inspiration, and the freedom to choose a celebration that feels just right for you.

Whether you're dreaming of an intimate gathering, a grand affair, or a two-day celebration, each Collection includes exclusive use of our entire estate - meaning it's all yours, and only yours.

From our beautifully tailored Intimate and Love collections, to our more relaxed Twilight collection, each one includes the essentials you'll need to bring your vision to life, while still leaving plenty of room for personal touches.

And if you've got something different in mind? We love that. Our team are experts in making bespoke dreams come true. Just tell us what you're after, and we'll make it happen.
