Imagine sunlight dancing across the walled garden, soft breezes carrying the song of doves from the dovecote, and the quiet murmur of loved ones gathered to witness your vows, this is the English countryside at its most poetic. The Dovecote, licensed for outdoor ceremonies for up to 200 guests, provides the most romantic of backdrops.

Every detail, the fragrance of fresh blooms, the golden glow of afternoon light combines to create a moment that feels timeless, intimate, and unforgettable.
